Attention:

Observe the inscription times. Inscriptions after the given end times will not be accepted.

All players (package deal or not) have to fill out an inscription for each event they want to play!

Non-compliance to rules or decisions made by the tournament directors (like: playing more sets in a match than listed in the flyer) will lead to disqualification and loss of price money.

b) have participated in at least 3 other P4P events before the German Championship.

* The party will take place in a separate room, of course — so players who are finished with their events can relax at the party, while we continue calling games until about 12 pm...

Classification:

Player classification is done according to the P4P-ranking 2003

<http://www.tischfussball.de/p4p/rangliste.html>

Players who are not in that list (have never attended a P4P tournament) are rated according to the old Loewen-ranking (2000). There are separate rankings for singles and doubles.

Players who are not listed in one of the mentioned rating systems can play all events.

No eating, drinking or smoking allowed in the tournament room!

Misc:

Events not finished in the evening will be continued the next day.

The DSAB rules and P4P additions/clarifications will be used. See the following links for the complete rules.
